Thank You!

Dear Champion,

“Not all superheroes wear capes. Some wear masks!”

A big Thank You from Shri Ashwini Hayagreeva Seva Nidhi for your selfless contribution to our Protective Masks Project. Lending a helping hand to those in need is a great service, and together, we have accomplished it.

We write to you, with great joy, about the impact of your generous donation.

Highlights of the Surgical Masks program:

- Total masks donated to various groups: 3300
- Recipients:
 - Primary Beneficiaries: Government hospitals such as Victoria, Bowring and NIMHANS, that are at the forefront of treating the COVID-19 virus.
 - Other Recipients:
Under-privileged groups such as Orphanages, Vegetables vendors, BBMP pourakarmikas
Medical-assistance groups such as Volunteers, Clinics and Medical Camps.
- Mask specifications:
 - The masks supplied were of 3 variants, depending on the degree of exposure to the virus.
 - Validated by reliable medical professionals for their quality.
 - They were reusable cotton masks to avoid medical waste generation caused by disposable masks.

Our special thanks to Mrs. Meenakshi, Ms. Hasika and their team at ‘Tasta Designer Studio’ who were instrumental in making this a success. We are also grateful to the tailors who worked overtime to meet the growing demand in this critical period.

We are confident that this initiative will protect the vulnerable and provide them a much better fighting chance.

Your continued support to this noble cause has been invaluable. Looking forward to our collaboration in all the future endeavors of the trust to serve the society.

Thank You,

Managing Trustee
Sri Ashwini Hayagreeva Seva Nidhi
